

HARI DHAARANI S

Web Developer | PHP & Laravel | Full Stack Fresher

+91 8124890023 | haridhaarani14112003@gmail.com | <https://www.linkedin.com/in/hari-dhaarani-s> | Tamil Nadu, India

PROFESSIONAL SUMMARY

Detail-oriented MCA student with 1 years of hands-on web development experience through internships at the National Informatics Centre (NIC) and Three Baboons Technologies. Proficient in HTML, CSS, JavaScript, PHP, Laravel, MySQL, and PostgreSQL. Delivered 4+ live client websites and government-grade web portals. Strong foundation in full-stack development, MVC architecture, database management, and responsive UI design.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript, PHP, Laravel

Databases: MySQL, PostgreSQL, Oracle

Frameworks : Bootstrap, Laravel MVC Framework

Tools : Visual Studio Code, Sublime Text, Chrome DevTools

Concepts: Responsive Web Design, REST APIs, MVC Architecture, Debugging, Testing

INTERNSHIP EXPERIENCE

Web Development Intern — National Informatics Centre (NIC)

Jan 2026 – Mar 2026

Government Web Applications | PHP · HTML · CSS · JavaScript · Postgresql

- Developed and maintained modules for government-based web applications using PHP, HTML5, CSS3, and JavaScript, adhering to government web standards and accessibility guidelines.
- Optimised Postgresql database queries and handled data management tasks contributing to faster, reliable data retrieval.
- Conducted systematic debugging and cross-browser testing, ensuring full compatibility across all major browsers.

Web Developer Intern — Three Baboons Technologies

Jun 2023 – Mar 2024

Client Web Development | PHP · Bootstrap · MySQL · JavaScript

- Designed and deployed 4+ fully responsive client websites using HTML5, CSS3, Bootstrap, JavaScript, and PHP — all delivered on schedule.
- Built full-stack features including user authentication, booking systems, and dynamic content management using PHP and MySQL.
- Collaborated directly with clients to gather requirements, iterate on UI/UX, and deliver pixel-perfect responsive designs.

PROJECTS

Real-Time Projects

- Tamilnadu Fishermen Welfare Board (PHP, Postgresql)** — Web system to digitise fishermen registration, welfare scheme applications, and benefit distribution.
- travels and call drivers.com (PHP, JS, MySQL)** — Online booking platform for a travel agency with driver availability management and admin dashboard.
- drop exp cargo.com (PHP, JS, MySQL)** — Logistics management site with real-time shipment tracking interface and customer portal.
- shrira matrimony.org (PHP, JS, MySQL)** — Matrimony platform with secure registration, profile listing, and advanced search & filter.

Academic Projects

- Smart construction (PHP, MySQL)** — Designed a system for managing and placing orders of construction materials
- Future Forum (PHP, MySQL, JavaScript)** — Community forum connecting IT professionals and students for knowledge sharing and collaboration.
- Unique Shopping (E-Commerce) (PHP, MySQL, HTML, CSS, JS)** — Full-stack shopping platform with product listing, cart, user authentication, and order management.

EDUCATION

Master of Computer Applications (MCA)

2024 – 2026

Sri Manakula Vinayagar Engineering College, Puducherry | CGPA: 9.09

Bachelor of Computer Applications (BCA)

2021 – 2024

St. Joseph's College of Arts & Science | CGPA: 7.48

Higher Secondary Certificate (HSC)

2021

St. Anne's Girls Higher Secondary School | 81.5%

CERTIFICATIONS

AWS Academy Cloud Foundations | Diploma in Computer Applications | Typewriting — English & Tamil (Distinction)

SOFT SKILLS & LANGUAGES

Soft Skills: Teamwork | Communication | Problem-solving | Time Management | Attention to Detail
